

West Torrens District Cricket Club

1st Grade Debut Numbers

The following list contains all of those players who have appeared in First grade (A Grade) matches for the West Torrens District Cricket Club (except limited over competition games). It is a chronological list of participants.

To align with South Australia's First-class system of numbering, where two or more players make their debut in the same match the numerical order is determined as follows:

- a) Batting order
- b) If this does not determine the numerical order, then a presumed batting order is used (i.e. the batting order used in the next game in which they participated.)
- c) If this does not determine the order, then players are listed in alphabetical order.
